

Meet the Team

Tamer is a psychoosocial practitioner and programs Director at CIPPO. He graduated from Anglia Ruskin University with a BSc ( Honours) in Applied Psychology and continued his Post Graduate Education with a PGCERT from Manchester Metropolitan

Nadine is CIPPO's co-founder and head of psychologists, she graduated from AUC with a BA in Psychology and is currently doing her MSc in Mental Health of Children and Young Adults from the University of Edinburgh. Nadine is an advocate of child play and parent training,

Terry Soliman is a Case Manager and Head of Tutors at CIPPO. She graduated with highest honours in Psychology from the AUC and a MSc in Clinical Psychology from Erasmus University Rotterdam. She always enjoyed working with children and has more than 5 years experience in this field.

Imy Shenouda is One of CIPPO's two Case Managers. She graduated with a BA honours psychology degree from Concordia University in Montreal, Canada. She absolutely loves working with children and previously worked in Youth Protection Services in Canada.

Noura is CIPPO's Matching Psychologist .  
She has a BA with honours in Psychology  
and a minor in Educational Studies from the  
American University in Egypt (AUC). I love  
children and am passionate about  
exploring and expanding my knoweldheon  
child education and mental health through  
continous research and training

Sara is an advocate for special education and  
inclusion, after finishing my BA in Psychology at  
the American University in Cairo, She pursued  
her post graduate degree at UCL in Special  
Eduction and Inclusion. She's currently part of  
CIPPO's programs development team and works  
as a social and emotional learning tutor.

Looking Forward to Working  
with you!
